The night before my wedding my best friend gave me the most precious gift anyone could get.

TI am a 32-year-old woman who has been married for years to a wonderful guy that I love and who loves me. I am considered to be rather attractive, with long light-brown hair, a cute face and a slender, curvy body.

The night before I was to be married, some of the girls from the high school we had attended gave me a wedding shower. When we got back home that evening and all the gifts had been carried into the house, I went upstairs for a shower. Josie followed me upstairs and sat outside of the bathroom while we chatted. Then we went to my room, where I got into my nightie and Josie brushed my long hair until it gleamed. We sat on the edge of my bed and talked some more. After my parents went to bed we talked in whispers.

Josie nodded, her eyes dancing impishly. "Yep. You're going to get fucked all out of shape, aren't you?" she giggled softly.

"Well, you will, you know," she grinned. "And it won't be the first time he's fucked you either. I've seen that flushed, breathless look about you several times when we met up after a date with him. No sense denying it either."

She smiled again and turned out the lamp on the bedside table, plunging the room into almost total

darkness except for a ray of light reflected from a street lamp outside. I thought she was going to leave for home, but she remained sitting on the edge of my bed.

"You've never broken a promise to me as long as we know each other, Patty," she reminded me. "Here is my gift to you."

Suddenly I felt her soft, warm lips pressed against mine. A kiss! How sweet of her. Her gift to me was a kiss. This was what she had wanted to give to me. How utterly sweet of her. But she kept her mouth on mine, crushing me in a warm, gentle way; her head was moving, her lips were carefully grinding into mine.

I found myself pressing the back of my head into my pillow in an effort to escape that insane kiss but she came down with me, keeping her mouth fused to mine. My eyes stared up at her through the nearly total darkness, all kinds of wild things happening inside me. We had kissed each other before, but never anything like this.

"Well ... that was a very nice gift, Josie," I whispered. "Thank—"

"Oh, that wasn't the gift, Patty," she interrupted, her lips brushing mine as she spoke. "That was only the beginning. My gift to you will take much longer than that..."

I started to speak but her mouth came down again, crushing into mine in that same maddening way as before. Her warm, wet tongue came sliding into my mouth, wriggling and writhing in a slippery, naughty way that filled my mouth with... desire. More thrills streaked through me and I was crushing my head into my pillow again, my eyes bulging open, my hands pushing weakly at her again.

Never, not to this day, have I been kissed with such deep intensity. Since getting married my husband has kissed me in a savage manner numerous times, and I like it, but never have I felt a kiss to the very core of my being the way I felt my best friend's kiss that night. Before too long my nipples erected themselves and began to sort of tingle and my helpless pussy was starting to feel hot and squishy, wet and swollen. I was responding to her kiss whether I wanted to or not! "Sit up for a moment," she whispered.

Without thinking about it I sat up and she lifted my nightie over my head, leaving me totally nude. My heart was hammering as she gently pushed me back down and hovered over me in the darkness.

"What are you trying to do—are you crazy?" I gulped, finally realizing

She began to kiss her way back up my body...

and understanding what she had in mind.

"Hush, girlfriend..."

"Hush? Do you realize what... what are you trying to do, Josie? Is this what you've had in mind for me all this time? You're not a lesbian—are you?!"

"No," she whispered, "but you're special, Patty; so very special to me, and I so want to give you this gift."

"Well, I'm not... I don't..." I attempted to express my feelings but couldn't.

"You promised," she said simply.

"But, I didn't know... I had no idea that Josie, this is insane!"

"We're best friends! We're both females! This is crazy!"

Her fingers began to race lightly over my shoulders, up and down my arms, across my chest. Squeezing and pushing at the soft globes of my breasts, she tugged and twisted carefully at my stiff little nipples. Her lips began to rain little wet kisses

little hood to look out, glowing and throbbing.

At some point I surrendered to her, I remember. I can recall a soft little sob jerking itself from my throat and my arms creeping around her neck, but I have no idea when that happened. I felt her hand slip down to my pussy and my thighs parted in a warm welcome to her. Then I felt her hand sink into the hairy, wet warmth there and begin to fondle and pet and rub gently.

"Your pussy is telling on you, Patty. It's all wet," Josie breathed. Her lips began to move down my body then, kissing and sucking, her tongue licking and making tiny wet circles on my skin.

"Don't, Josie. Please don't," I breathed in one final—and very weak—attempt. Then I felt her licking my titties, her moist lips sucking carefully on my rigid nipples. My eyes closed again, my hands clasping my dear friend's head. "Oh, my

her head, but I was not encouraging her and I was no longer trying to stop her; I was just holding her head for some reason.

She passed by my cunt and her mouth hurried down my right thigh. At last her head slipped out of my grasp and crossed my knee. She lifted my foot and began to kiss it all over—licking it, nibbling at each one and thrusting her wet tongue between all of them.

She carefully laid it back down and lifted the other foot, doing the same thing while I gasped softly over and over, jerking my foot between us. It tickled so. She laid the foot between and I felt her crawling between my legs, her feet extended away from me: She began to kiss her way back up my body, alternating back and forth from my left leg to my right, higher and higher. She paused at my knees and licked both of them all over.

That damned licking of hers was driving me crazy! She seemed to have magic in that little wet tongue, and she seemed to sense the effect it was having on me too. I could feel the honey oozing from my vagina and seeping into the crack of my ass, and my cunt felt as though it was nearly twice as big as normal. I could actually feel its tender lips quivering; it was the first time in my life I have ever honestly felt that.

My friend was suddenly very close to my pussy, very

close. I could feel her hair brushing my skin again, her warm breath puffing against it rapidly, lightly. Her hands clasped my naked hips then and I stiffened as her tongue flicked at my cunt in a teasing way. It flicked again, then again. I lifted my knees at last, placing the soles of my feet on the bed and letting my legs fall as far apart as they would. I was show-

all over my flushed face—over my cheeks, my eyes, my forehead, my chin, and back to my mouth again.

Her fingertips crawled lightly across my belly, touching my naked hips and thighs, wandering closer and closer to my pussy. Goose pimples rose up on my arms and legs at her caresses. I felt my clit erect itself too, its tiny head peeking from its

God, Josie! My God, Josie!"

Her mouth moved farther down, her hair dragging across my sensitive skin; crossing my tummy, pausing briefly at my navel to circle it again and again, flicking into it, then traveling on down. I was holding my breath as she kissed and licked her way right to the topmost edge of my cunt. My hands were still clasping

ing my friend that I was totally defeated, offering myself to her to do with as she wanted.

God, it was so beautiful to be so utterly defeated like that by her; to surrender to her in total and absolute defeat at last; to open myself to her; to offer her my all, to admit to her that I had become simple putty in her hands at last.

She began to lick me again, her tongue moving all over my crotch, its little tip wandering here and there; still wriggling, moving over the swollen, quivering lips, fluttering at the crack itself; wandering up and down each area where my legs join my hips, tickling my lower butt and the deep cleft between them. Her tongue forced itself into that cleft and dug into my wet puckered little asshole briefly, causing me to catch my breath momentarily as more giant goose pimples crawled over my arms and legs.

For some in sane reason I lifted my knees high and instantly her lips were surrounding my asshole. She sucked warmly, her tongue-tip sliding a fraction of an inch into my asshole. More chills crawled over me and my hips squirmed.

Then she was licking my cunt, her flat tongue lapping the lips and crack almost like a little girl licking an ice cream cone. She was lapping my sensitive loins again too, knowing how good it felt

to me but most of the time she was staying at my soaked pussy. My feet had fallen back down, but my ass was still writhing in her face, twisting and squirming as the feeling got to me more and more.

Suddenly her lips sealed themselves directly around my vaginal opening and she began to sort of fuck me with her tongue, sliding it

in and out in a most delightful manner. My hands went down again and clutched at her darling head, holding her in place, my ass humping up and down in an animal motion as I fucked her tongue.

It finally penetrated my fogged brain that I was getting my pussy eaten. For the first time in my life I was actually getting my little pussy eaten—by my best friend, no less! I had once heard the girls at school whisper and giggle about this sex act, and a few of them who had had it performed on them had described it, but I had not believed that it felt this good. Never in my wildest fantasies had anything felt like this!

Yet somehow this was more than just sex to me, more than just lust. This was something pretty to me, something wondrous, something which was filled with a beautiful love and devotion. Somehow it was not wrong. This was Josie, my best friend. She loved me and I loved

tive little organ. My breath hissed out of my lungs, my head went back and my eyes shut tightly. My hips and thighs suddenly shuddered violently. "Josie..." I gasped softly. "That's going to make me pee!"

But she ignored my words and continued to suck my cunt, her hands still clutching my naked hips, her head moving about with my squirming ass. Oh, God, please don't let me piss in her face, I thought desperately. Sometimes when I masturbated back in the day I would become so excited and carried away that I would lose momentary control of my bladder and would dribble a little bit (I still do, but not as much).

She kept at it with my clit now, I realized, and it was definitely going to make things happen for me in a very short while. All her kissing and licking and teasing earlier had taken its toll on my ragged nerves and I simply could not stand what she was doing to my clit, it was so good! She

her, and it was beautiful because of that. This was not just pussy-eating; this was my girlfriend displaying her feelings for me in the sweetest and warmest way she knew how. And it was perfect because of that.

I felt her lips slip upward and seal themselves over my clit. They began to suck very gently and the tip of her tongue started to massage my sensi-

accelerated the movements of her tongue-tip so it was fluttering to and fro across my button like a wing of a hummingbird, her lips still sucking in that crazy way. She had somehow spread my vulva apart and had put her lips between them, allowing them to clasp the sides of her mouth.

Or maybe I had spread my vulva for her; I had no idea. My breath was

coming in pants and gasps by then, my temples were throbbing, and my face felt hot and sweaty. I could feel an orgasm gathering in my body, my insides tightening, threatening, promising. I could dimly feel the soft flesh of my inner thighs jerking and twitching as my orgasm approached, my asshole tightening with a strength I had not known it possessed. Then, it was upon me.

"Josie..." I choked softly with my last ounce of strength.

The next moment my entire being exploded in a flashing burst of wondrous rapture! My hands clawed at her head. My hips surging and heaving up and down, crushing her wicked mouth to my cunt in an almost cruel pressure. Somehow I realized that I could bruise her lips this way but I was unable to stop.

My belly was undulating in and out my womb and vagina pulsating with wild, throbbing sensations; my toes curled downward painfully, the muscles in my thighs stretching and

But at long last it faded away and was gone. Slowly I relaxed, my hands falling away from her head, my body bathed with sweat, my chest rising and falling rapidly as I gulped in air. It felt as though I was floating on a little pink cloud high in the heavens—no worries, no regrets or remorse, nothing but a warm feeling of wellbeing.

Josie had had stopped tickling my clit and was again slowly licking my pussy, licking and lapping the crack and quivering lips, lapping away the flowing nectar as it seeped from my body.

It was almost as though she was trying to apologize to my pussy for having put it through such torture. How awesome it was to be licked so lovingly immediately after an orgasm, when I was floating gently back down to earth on my little pink cloud. I reached down and took her dear face in my hands again and pressed her mouth to my drooling cunt again. I was not trying to make

"Congratulations!" she whispered into my ear. "That was a good one, wasn't it?"

"The best, Josie," I whispered back, still unable to get my mouth to function properly. She knew what I meant.

Josie remained with me for the rest of the night and not a single square inch of my nude body escaped her kisses and licks. At some time in the early hours of the morning she caused me to have another one of those outrageous orgasms with her magic little tongue. Yes, I dribbled on her chin to my embarrassment and her amusement.

Just before daylight she kissed me one final time and crept from my room, leaving me a lump of useless, trembling flesh.

At 10:30 that morning I walked down the aisle on my daddy's arm and was given to my husband to be. I was flushed and starry eyed, and everyone who saw me that morning believed that it was because

I was and a new bride. I caught Josie's eye once, and she grinned and winked at me, knowing the reason I looked so radiant. I smiled back and dropped my gaze, feeling my face and throat getting a bit warmer.

Only two of us in the church that morning knew that my little pussy was still quivering daintily, and that even as I was saying "I do" I could still feel a happy little mouth busily eating my pussy just as starkly as though there was

a dear little head under my wedding gown.

This is the first time I ever shared this story, and I will probably never have the courage to do so again. But my best friend showed me the true meaning of love one night all those years ago. It never happened again and it probably won't, but I will never forget that night.

bulging, quivering and jumping; my mouth opened in a shriek of the most beautiful agony.

Never, not to this day, have I known such an orgasm; I even felt that orgasm in my breasts. And I have never felt that before or since. And through it all that wicked little tongue was fluttering, vibrating, forcing my climax to go on and on.

her eat it again, and she understood that. I just wanted, somehow, to make her part of me, to somehow take her into my body and keep her with me forever. She understood this too and continued to lick and lap for a long time while my shatteredness settled.

Finally she crawled up to me and gathered me into her embrace.

BLAIR-NTS-09

*She looked so
helpless out there
in the parking lot*

Lack of Restraint

"And I would like that gift-wrapped," said the hot MILF.

"Certainly," I replied.

Her three-hundred-dollar coffee table book was heavy and unwieldy. Still, I managed to wrap the thing without fucking it up too badly. She certainly didn't complain when I handed her the finished product.

Another satisfied customer, I thought wryly, eyeing her toned legs as she exited the store.

Her short tennis skirt stoked my libido; this and the faint scent of sweat riding her wake. No doubt she had just played a few sets at the country club. Now she was on her way to a birthday party. A girlfriend from college, I reasoned. I could see the scene quite clearly—a bunch of middle-aged hotties, the wives of doctors and lawyers, sharing gossip and getting tanked on chardonnay. On a weekday afternoon, no less. A damn good gig, I mused, if you could get it.

A few minutes later the hot MILF rushed into the store, her face etched with panic as she made a beeline for yours truly.

"Is something wrong, ma'am?"

"My car—it won't move forward—every time I step on the gas it pops into park—it's crazy—I don't know what's wrong—the car is brand new—it's never done this before—I have to be somewhere in ten minutes—"

The words tumbled out of her like explosive vomit. Her previously cool demeanor had done an about face; now she was on the brink of a full-fledged panic attack.

"I'll take a look at it," I told her, leaving Kip, my coworker at the upscale giftshop, alone at the counter.

The tennis MILF had managed to back her top-of-the-line SUV out of a parking space before the trouble began. Now she stood there beside me in the parking lot. I peered at the quietly idling vehicle, acting like I knew a muffler from a manifold.

"So," I began, "you put it in drive, pressed the accelerator, and it immediately shifted back into park?"

"Yes."

I climbed behind the wheel and closed the door. The giftwrapped book lay on the passenger seat beside her designer purse. Her sweat scent was strong within the confines of the modernized cabin. I inhaled it, imagining myself licking the salty tang from her tits. I peered at her through the driver's side window. Poor thing. She looked so helpless out there in the parking lot. Her ordered world was crumbling.

It didn't take me long to diagnose the problem. Turns out she had failed to put on her seatbelt; the car wouldn't move forward unless the driver was safely restrained. Expensive new cars had all the bells and whistles.

"You're a magician," she told me from behind the wheel. "I cannot thank you enough . . ."

I had forgotten all about the episode until later that evening when I got off at six. The familiar SUV wheeled into the parking lot as I walked to my car. The driver's side window slid down. The hot MILF, her fashionable sunglasses too large for

I asked him how he would feel if I masturbated myself instead, with him there next to me.

her face, smiled at me. No sooner had she started to talk than I knew she was buzzed. Some party, I thought. And she didn't want it to end.

"Get in," she said. "The birthday girl wants to meet you."

Keys in my hand, I was nonplussed.

"I told her all about the nice young man at the giftshop who helped me with my car. She was impressed . . ."

She removed her sunglasses, a deliberate, albeit drunken, strategy to make her true intentions known. Her penetrating blue eyes spoke volumes, assuring me that I was in for a seriously good time. Only a fool would have declined her offer.

Things heated up quickly once we arrived at the birthday girl's house. Preliminary chitchat was blessedly brief, though instructive as it did allay my fear of being interrupted by a husband.

"I'm divorced," said the slender brunette/birthday girl before lifting the hem of her party dress and sitting on the edge of a tufted settee bench. She pushed her lace panties to the side and proceeded to rub her pussy. "Take out your cock and stroke it for me . . ."

Having lowered my trousers and boxers, I stood there before her and pumped my prick, moving my hand up and down its turgid length. She kicked off her ballet flats and raised her feet to the settee. Spreading her legs, she pushed three fingers inside her cunt . . .

Meanwhile, the hot MILF who couldn't be bothered with wearing a seatbelt had shucked her tennis outfit

and dropped to all fours on the sofa. Watching us from over her shoulder, she raised her shapely ass and fingered her cunt from between her legs.

My gaze oscillated between these two wondrous tableaux, making me hotter and harder by the second . . .

"Get over there, niow" the birthday girl told me, "and fuck her from behind . . ."

I didn't even know their names. Not that I cared. I crouched, removing my shoes and kicking off my trousers and boxers. Then I joined the tennis hottie on the sofa, moving behind her and guiding my cock into her pussy. Holding her hips, I thrust repeatedly, hammering her hot hole with a series of forceful jabs. Though taut, her ass jiggled ever so slightly as I banged her doggystyle.

"Save your cum for me," the brunette said from across the room. "After all, it is my birthday . . ."

I shot her a glance. She remained on the settee, moving her fingers in and out of her gaping twat. She had lowered the straps of her party dress, liberating a nice set of knockers. The mere sight of them upped my excitement, prompting me to fuck her friend faster and harder.

On the cusp of blowing my wad, I withdrew and padded across the hardwood floor to the brunette.

"Happy birthday, slut." I gave my cock three fast jerks before it exploded, spattering her face and tits in equal measure. "Beats cake and ice cream, huh?"

"You bet," she replied. "And much better for my figure!"
